

## **Annual Report to FUMCOG 2021 – 2022 Scouting Year BSA Troop 1313G (Female Troop)**

Like the previous scouting year, this has been another year of adaption and perseverance.

We started with two scouts on roster due to the COVID-19 pandemic having to meet virtually, but we were able to double our count to four scouts. We are still actively seeking growth.

### Achievements

- Rank advancement:
  - Two of the scouts have advanced 1 rank
  - One scout has advanced 2 ranks
  - The newest scout will be advancing in rank in the next couple weeks
- The scouts are still encouraged and excited to continue their scouting adventure.

### Highlights (NOTE: each event included Troop 1313 and 1719)

- Volunteering at the Autism walk
- Scouting for Food: distributing door hanger distribution week 1 and item collection week 2
- Four weekend camping trips including a council run event in the Poconos
- Two weeks of summer camp in the Poconos
- The fall Court of Honor
- The Klondike Derby (a scouting relay event)
- Numerous outdoor requirement blitzes

The COVID-19 pandemic continues to impact plans and we adjust as needed. So, our current plan is to continue working on advancement and potentially participate in the following activities:

- Monthly weekend camping including a potential backpacking trip in May
- Two weeks of Boy Scout summer camp: one in July and one in August
- A weekend in NYC: Seeing the 911 Memorial and participating in a Freedom Trail walk
- Horseback riding
- College tours
- Future community service opportunities

Thank you for your continued dedication to the youth in our area. Troop 1313 (and 1719) provide our scouts with growth and leadership opportunities, and its FUMCOG's undying encouragement, generosity and support that makes it possible. You are truly appreciated.

Sincerely,

Troop 1313 Leadership
